LEADING WITHIN, TOGETHER, & BEYOND

8:30 - 8:50 Check-in

9:00 – 9:15 Introductions and Ice Breaker

9:15 – 10:15 The Mindset of Great Leaders

- Mindset Awareness: Understand why we think the way we do to elevate your leadership.
- Perspective Collaboration: Engage in an interactive activity that strengthens empathy, clarity, and problem solving.
- Change Your Thinking, Change Your Results: Learn simple mindset shifts that directly improve performance and outcomes.
- Purpose & Passion Alignment: Reconnect with the “why” behind your work so you can show up with more meaning and energy.
- The Awareness Advantage: Strengthen self-awareness and social awareness—two core skills of emotionally intelligent leaders.

10:15 – 10:30 Break

10:30 – 11:30 Emotional Intelligence: Becoming a Better Leader for You, Your Company, & Your Community

- 3 keys to Strong Leadership
- Lead by Example: Model the behavior, attitude, and work ethic you want to see in others.
- Become a Great Communicator:
 - WHAT you communicate
 - HOW you communicate
 - Active Listening (ears, eyes, & heart)
 - Using social awareness to interact with others
- Culture of Accountability: Discover practical ways to hold yourself and your team to high standards without losing morale or momentum.

11:30 – 12:00 Purposeful Planning

- Goals: Discover how setting clear, intentional goals will strengthen focus, build accountability, and create momentum for your team.
